

NCRPA is the official State Association for the NRA. The NCRPA sanctions all State Championships under NRA Rules. NCRPA maintains junior teams for the National Championships. NCRPA has scholarships.

The NCRPA is the only statewide organization with a registered lobbyist full time in the NC Legislature on gun issues. The last omnibus gun bill 937 and numerous pro-gun bills before it were a result of full time work by NCRPA. When NC legislative Representatives or Senators talk about the “gun lobby “ in NC, they are talking about the NCRPA.
